Glasgow Wrestling Center

GOAL:

To build an elite practice facility to be owned and operated by The Glasgow Wrestling Club. Our Glasgow Wrestling Club will utilize the facility for all of our practices, meetings, and off-season camps.

REASON:

- 1. Space Availability.** Over the past three decades, GWC has practiced at many different locations. The former Irle School Gymnasium, the former South Side School Gymnasium, the St. Raphael's Parish Center Gymnasium, and our current location in the Middle School basement (former cafeteria). The previous locations are now either unavailable or required the club to move all of the mats on a daily basis. We have diligently researched the large structures with open floor-plans in the community of Glasgow. These structures are either unavailable at this time or too expensive to rent or purchase. We feel it is in the best interest of our program to build a new structure. One that is both financially feasible and responsible.
- 2. Record Growth.** GWC has been exploding at the seams. We had a very solid 57 wrestlers in 2011, but those numbers have been increasing every year. We closed in on 100 wrestlers in 2019! We have outgrown our current practice room in the basement of the Glasgow Middle School. Our current location cannot withstand our expanding participation numbers. We want to be proactive, rather than reactive, when looking for a space that can house that amount of participation.
- 3. Sustained Success.** The community of Glasgow is synonymous with the sport of Wrestling. This is due to our success at the High School level. Our Scotties have 12 State Team Championships and 31 State Team Trophies. Our Individuals have won 67 State Championships and 275 of our student-athletes have earned All-State recognition by placing at the State High School Wrestling Tournament. No other school in the state of Montana can boast that type of tradition and sustained success. It all starts with our feeder program. The Glasgow Wrestling Club has been the life blood of our famed Scottie program since the very beginning.

PLAN:

- ~~1. Initial funding phase of \$100,000 to complete the structure of the building. COMPLETE~~
2. Secondary funding phase of **\$130,000** used to complete the concrete foundation, insulation, heating, plumbing, electric, and wrestling mats for the facility.
3. Final funding phase of **\$75,000** used to complete the parking lot, wall mats, signage, locker area, conference room and interior beautification.

Please take the time to review our club mission. By supporting the area youth with your donation, you will be supporting our worthy undertaking.

GLASGOW WRESTLING CLUB MISSION STATEMENT

GWC is working to advance the sport of wrestling. GWC seeks to increase the recruitment and retention of youth wrestlers by improving the efficiency, effectiveness and enjoyment of all aspects of youth wrestling. Through the work of dedicated, intelligent and energetic coaches, GWC will improve youth wrestling practices and most importantly competitions to get the most out of the invaluable time of the youth wrestlers, supportive parents and dedicated coaches. By increasing the efficiency and effectiveness of competitions and practice, GWC strives to give wrestlers and their parents a more enjoyable overall experience with the sport, which will in turn lead to increases in the recruitment and retention of wrestlers at the youth level.

GLASGOW WRESTLING CLUB GOALS

- Promote and develop the sport of wrestling
- Assist the head coaches in their efforts to conduct a respected and successful program
- Develop young wrestlers through improving their: wrestling skills; physical fitness; character and life skills; and their appreciation and love for the sport of wrestling
- Provide a good experience in wrestling through positive and effective coaching
- Stress the importance of education and personal development in conjunction with the sport

Please review the bottom donation chart for your appropriate level. The Glasgow Wrestling Club is COMMITTED to a partnership with you to help our area youth succeed
